## **EXCELLENCE IN THE HEART OF THE COMMUNITY**

### **Dear Parents/Guardians,**

This week's newsletter is a real celebration of our pupils. Inside you will find the Lead Learners for the Summer Term. Each of these pupils has exemplified The Hillside Way and excelled in the subject they have been awarded Lead Learner. A massive well done to all these pupils.

This week we welcomed visitors from Ofsted, who carried out a full 2 day inspection at Hillside. I am looking forward to sharing their findings with you. In the meantime can I thank all of our pupils and families for your contribution. As always our pupils did us proud and gave the inspection team a real insight into life at Hillside. A massive thank you to all our families who completed the parent view survey. I can't wait to share the report once it's finalised.

# **Book Recommendation!**

As mentioned by Mrs Ryan in our newsletter, last week Mrs Wardale delivered an assembly on 'Learning'. We explored how our brain works and some top tips to ensure learning is secure. Pupils looked at how our systems including the Hillside Core 5 and Hillside Way are all underpinned by how we learn.

The assembly finished with the first two paragraphs from our book recommendation: Peak. How all of us can achieve extraordinary things by Andreas Ericsson and Robert Pool. In this fascinating book, the authors take us through how learning new skills and knowledge doesn't have to be daunting. talented musicians, sports stars and leading scientists are not born with a special gift, they acquire their special abilities through the right approaches to learning. This is something we all have the capability to do. Based on thirty years of research, this book demonstrates that with the right approaches to learning we can master almost anything. These approaches are aligned to our Hillside Core 5 which include:

Receiving and responding to feedback.

A word rich environment.

Understanding what exactly we are learning - having clear goals on a lesson by lesson basis.

Checking for understanding.

Regular retrieval.

There is just one more piece of advice to ensure we can master almost anything. That is how we motivate ourselves. Our own mindset of 'we can do this', 'we are not different to anyone else', 'we all have the capability to achieve whatever it is we want to with the right approaches'. A fascinating and inspiring read which comes highly recommended to help young people and adults to influence their own futures.

Lily-Jo plays for Bootle Bucks IFC as part of their dedicated girls team, the Bootle Belles, taking part in tournaments on Wednesday nights throughout the season and is a valued member of the team. Lily's three coaches, Mrs Lee, Miss Salmon and Mr Richardson are all immensely proud.

# Hillside's Macmillan Coffee Morning

We would like to invite friends of Hillside to our first Macmillan Coffee Morning! Join us for a hot drink, cake and a chance to get to know other families from our school community, to raise money for this amazing charity that is so close to so many of our hearts.

You're welcome to bring a cake or something yummy to share!
