

Dear Parents/Guardians,

This week's newsletter is a real celebration of our pupils and their achievements. Inside you will find the Lead Learners from each year group, from the first half of the Autumn Term. These pupils have been chosen above everyone else in their year group for exemplifying the Hillside Way. They should be very proud of this achievement and wear their Lead Learner Star badge with great pride.

Carrying on with the theme of celebration last Thursday saw us celebrate our annual Presentation Evening and wow what a evening that was! I look forward to sharing some photos with you in the coming weeks and the film we had made on the evening.

I would like to finish by saying a big thank you to our Year 10 pupils and Tish from Year 8 for the amazing week of Remembrance assemblies. They have lead assemblies this week in the most moving and poignant way, ensuring we have all stopped to remember the scarifies those who went before us made. Well done and thank you.

Amanda Ryan, Principal

Thought for the Week

Attendance

Dear all, We needed to improve our attendance last week - and we did - well done to all!

As the term moves on and the days become colder - please remember we have Breakfast Club every day from 7:45am—8:20am in the Dining Room. Warm bagels and smiles from Mrs McGing - what a way to start the day! The LRC is also open where pupils can catch up on work or homework.

The Elves were busy again giving away free toast to the best daily forms - if they played their cards right! Well done to the six forms claiming their treats on Free Toast Friday!

Mr Edwards

Santa Dash

On Sunday 1st December Team Hillside is running the Santa Dash in Liverpool to raise money to support Lucie, one of our Year 9 pupils, who is currently battling brain cancer for the third time. Her whole family have had to upheave and move to Manchester where she will be undergoing treatment at a great cost to the family during the Christmas period.

We hope to bring a little Christmas joy to Lucie and her family during such a difficult time and we need your help! We have set up this fundraising page with the hope of raising £1000 which will enable us to support Lucie and her family and make Christmas as an enjoyable experience as we possibly can.

Please give whatever you can, every little helps. The donation link is below.

Thank you,

Team Hillside

Fatma Z - English, Photography & Science
Alex D - Geography
Leah P - Hospitality
William O I - History
Ashley E - ICT
Solyn B - Maths
Jake B - Music
Loic R N - Spanish
Dylan W - Physical Education
Sarah I - 3D Design

Safeguarding, Emotional Wellbeing and Mental Health

We Will Remember Them

Due to a very busy school calendar, we were not able to run our Remembrance Assemblies on our usual date this year. Even though Armistice Day has passed we still wanted to take the opportunity to come together as a school and consider the themes of remembrance whilst paying tribute to the fallen. This week the Performing Arts Department delivered Remembrance themed assemblies to all of our year groups. Our Year 10 class planned and performed their first performance together, creating a moving and poignant assembly which encouraged us to reflect on the sacrifices made in both World Wars. They used poetry and devised their own scenes to show the audience what life would be like living through such a challenging time. They then carried out a poppy laying ceremony and, along with pupils in the audience, held a minute's silence to play tribute to the fallen. Each day our pupils have behaved impeccably and shown respect to both the theme of the assembly and the performers on stage. A huge well done to our Year 10 pupils for producing their first performance together as a group, and a special thanks to Tish L from Year 8 who joined us to play one of the younger roles. As always, you all did Hillside proud.

Miss Brown

EXCELLENCE IN THE HEART OF THE COMMUNITY

Rotations Timetable—Technology

Pupils in Years 7, 8 & 9 will see their classes change next week as part of the technology rotation. We ask pupils to be sensible and remember this as it won't change on their laminated timetables.
