This universal approach may include visits to places of worship, sites of specific religious/cultural interest, and the use of speakers from different faiths and cultures. The SMSC programme is wide and varied and covers many topics such as bullying, understanding LGBT+ and road safety.

Hillside High School welcomes its duties under the Equality Act 2010 and the Disability Discrimination Act 2005. We are committed to:

- Promoting equality of opportunity.
- Promoting good relations between members of different racial, cultural and religious groups, communities and LGBT+ groups.
- Eliminating unlawful discrimination.

In order to achieve these criteria we are guided by the following principles:

- Every pupil should have the opportunities to achieve the highest possible standards and the best possible qualifications for the next stages of their life and education.
- Every pupil should be helped to develop a sense of personal and cultural identity that is confident and open to change, and that is receptive and respectful towards other identities.
- Every pupil should develop the knowledge, understanding and skills that they need in order to participate in Britain's multi ethnic society, and in the wider context of an interdependent world.

- Every pupil should have the right to be healthy, stay safe, enjoy and achieve, make a positive contribution and achieve economic well-being in accordance with the Every Child Matters agenda.

These principles apply to the full range of our policies and practices, including those which are concerned with:

- Pupils' progress, attainment and assessment
- Behaviour, discipline and exclusions
- Pupils' personal development and pastoral care
- Admissions and attendance
- The curriculum content
- Staff and Governor recruitment and professional development
- Partnership with parents and communities

The school is opposed to all forms of prejudice including racism, sexism, homophobia, biphobia, transphobia and xenophobia. This includes prejudice which is directed towards religious groups and particular communities, for example, travellers, refugees and asylum-seekers. The school hopes through education and knowledge to teach respect, tolerance and understanding towards different beliefs, cultures and lifestyles. Racist/sexist/LGBT+ jokes will be regarded as any other form of bullying and dealt with as such.

The Senior Leadership Team are responsible for ensuring that appropriate training and support is given through the normal staff development programme and that this issue is highlighted in the school development plan.
