Support with my child's education

If you need support, information, advice and guidance about your child's education, you will find lots of information in this section. It ranges from government guidance on the phased reopening of schools, to information about GCSE and A-level examination results, as well as resources to help your children continue to learn while at home.

1. Where can I find government advice for parents about the reopening of schools?

You can find information for parents and carers about the wider opening of nurseries, schools and colleges, transport, attendance, free school meals and remote education by clicking the link below.

[What parents and carers need to know about schools and other education settings during the coronavirus outbreak.](#)

2. Where can I find advice from Sefton Council on school closures/reopening?

[Sefton Council – School closures – Covid-19](#)

3. Will it be safe for my child to return to school?

Sefton Council is working closely with school leaders, the Department for Education, teachers unions and parents and carers to ensure that Sefton schools reopen in the safest way possible. You will find more information becomes available on this as our risk-assessments and plans are refined. Keep an eye on the council's website and your child's school's website for further updates.

4. Which year groups is the government prioritising?

The government is prioritising children in the early years, Year 1 and Year 6. There are also plans to have some face-to-face teaching for pupils in Year 10 and in Year 12. You can find further information by clicking the link below.

6. My child is due to move to primary school, secondary school or college. Will there be any support? What will transition arrangements will be in place?

Schools and colleges across Sefton are working hard to establish the most effective ways to support the transition arrangements for children moving into the Reception Year, Year 7 and Year 12. We realise that this is particularly daunting for parents and children who are due to move to a new school or college. While the plans for reopening schools are established and risk-assessments are undertaken to ensure the safety of all pupils and staff, you should contact the school or college that your child is due to attend in the new academic year for details of the offer that they have, or will have in place.

7. How do I help my child to continue learning during the phased reopening of schools?

There is a wealth of information to help parents and carers educate their children on the internet. Some of the most useful advice can be found below. You will also find information about how your child's school is supporting remote learning by visiting the school's website.

Sefton Council has compiled a range of resources.

8. Is there is a temporary extension of the eligibility criteria for the free early education entitlement for two-year old entitlement?

Yes, there is. If you're the parent or carer of a two-year-old and you receive certain benefits you could be eligible to apply for a free early education place.

Temporary additional criteria

The criteria for an eligible 2-year-old place are temporarily extended during coronavirus and currently also include children assessed as being vulnerable and meeting the definition in Section 17 (s17) of the Children Act 1989 and who have No Recourse to Public Funds (NRPF).

Who can apply?

Your child might be eligible if you receive any of these benefits:

- Income Support
- income based Jobseeker's Allowance
- income related Employment and Support Allowance
- support under Part 6 of the Immigration and Asylum Act 1999
- the guaranteed element of State Pension Credit
- tax credits and have an annual income under £16,190 before tax
- the Working Tax Credit 4-week 'run-on' (the payment you get when you stop qualifying for Working Tax Credit)
- Universal Credit and has an annual income below £15,400.

Or:

- children of Zambrano carers (derivative right to reside in the UK under European law as the primary carer of a British child or dependent adult)
- children of families with no recourse to public funds (right to remain in the UK on grounds of private and family life under Article 8 of the European Convention on Human Rights)
- children of is an asylum seeker receiving asylum support from the Home Office under section 4 of the Immigration and Asylum Act 1999

Or if your child:

- receives Disability Living Allowance
- has an Education, Health and Care Plan (EHCP)
- has a child protection plan
- is looked after by Sefton
- is a member of a travelling family
- has left care but are not able to return home (are under a special guardianship order, child arrangements order or adoption order)

10. Where can I find information about the cancellation of GCSE, AS and A levels in 2020? How will my child's grade be calculated? When will my child get their results?

[Coronavirus \(COVID-19\): cancellation of GCSEs, AS and A levels in 2020](#)

Please note that pupils who do not feel their calculated grade reflects their ability will have the opportunity to sit an exam as soon as is reasonably possible after schools and colleges open again.

11. My child is in Year 10 and was due to sit some examinations. What will happen?

Having considered the responses to the consultation Ofqual has decided that students of any age and in any year group who had been entered to take exams this summer will be able to receive a calculated grade on the same basis as other students this summer.

12. What support is available for students during the coronavirus outbreak? What if my child is due to go to university?

The University and Colleges Admission System (UCAS) is developing a personalised system this summer to support admissions into university from autumn 2020. A range of measures has been announced, including an Enhanced Clearing process. This includes Clearing Plus, which matches students to universities or other opportunities based on their achievements and course interests. If students' calculated grades exceed their predicted grades, it can suggest alternative courses with higher entry requirements.
