

## Richard Brook, Community Governor

I have recently joined the governing body of Hillside as I feel passionately about the opportunities education provides for young people to reach their potential. I have worked in primary education for the last 10 years throughout the north of England.

I am currently Assistant Head in a primary school and thoroughly enjoy working within Hillside's community. I felt extremely privileged to be asked to be a governor as I believe I have a lot to offer the role.

In my spare time, I am a keen cricketer and play hockey in the winter. I am really looking forward to working as part of the Wade Deacon Trust on the school's journey forwards.
