Welcome to Hillside High School

Mrs A Ryan
Principal

As you start a new academic year at Hillside I would like to take this opportunity to welcome you back to school.

In assemblies I often talk about how the effort you put into school life will be reflected in what you get out of your time here and I would like to remind you of this as you start a new school year. This is going to be a really exciting year, remember you are now setting the example to our new Year 7 pupils.

As you know we have high standards and expectations of all our pupils at Hillside and this booklet provides you with some timely reminders of these. I would remind you of the need to be in school on time, every day with your Essential 8 and following The Hillside Way. Your Attitude to Learning (AtL) also needs to be exemplary in every lesson. I know if you do this you will have a successful year. Please take the time to read this booklet, take it home and use it as a point of reference throughout the year.

At Hillside we are always striving for “Excellence in the Heart of the Community” and achieving ‘excellence’ needs to be your goal every day. We expect ‘excellence’ and the highest standards from you, in terms of attendance, punctuality, uniform, behaviour and attitude for learning. We are unwavering in our ambition that you will leave us having fulfilled your academic potential and in doing so, you are able to fulfil your hopes, dreams and ambitions for the future.

There has never been a more exciting time to be a pupil at our school. Our GCSE results last summer were the best ever results in the history of our school and some of the best in Sefton. This year we have welcomed visitors from Challenge Partners and a Wade Deacon Trust Quality Assurance visit. Both of these visits have been extremely positive and have demonstrated the many strengths of our school. We have also received significant investment in our school ensuring the front of our building demonstrates the grand and historical building our school is. Hillside is a local landmark and I am extremely proud to be the Principal of such an amazing school. Our pupils deserve the best facilities and there has been lots of investment in improving our classrooms and learning spaces too. Hopefully all members of our school community feel as proud as I do of our fantastic school. We now have a school which truly reflects ‘Excellence in the Heart of the Community’.

Head Pupils

I am delighted to formally introduce our Head Pupils, Jessica Harrington, Christopher Ball and Daria Tudorache who support me and the Leadership Team in leading our school.

Please read through this handbook with your parents. We look forward to seeing you back at school, don't forget to check our website www.hillsidehigh.co.uk, our Twitter feed [@Hillside_high](https://twitter.com/Hillside_high) and our Instagram page [@hillside_high_school](https://www.instagram.com/hillside_high_school) to keep up to date with everything that's going on at Hillside.

Behaviour in School

At Hillside we all follow 'The Hillside Way' (see page 23). This outlines our expectations for pupils.

The school behaviour guidelines, which should be strictly adhered to at all times, can be summarised as follows:

- Respect yourself and your work.
- Respect other pupils.
- Respect all adults in school.
- Respect your school.

We must emphasise to all pupils that **at Hillside we do not tolerate bullying of any description including homophobia, racism or any other form of discrimination.**

All pupils have the right to enjoy their education in safe and secure surroundings. Anyone breaching these conditions will be dealt with appropriately. Sanctions for serious misconduct include time spent in our remove classroom, time in our Inclusion Centre and even fixed term of permanent exclusion.

A full copy of the Behaviour for Learning Policy can be found on our school website www.hillsidehigh.co.uk

The School Governors are required by the government to inform all pupils what they consider to be unacceptable. In our school the following are considered to be examples of serious misconduct and might be grounds for suspension from school for a fixed period or permanent exclusion:

- Violence or bullying.
- Swearing or other bad language directed at pupils, teachers or other adults with intent to insult people or disrupt lessons.
- Bringing a prohibited (forbidden) item to school.
- Persistent disruption of lessons.
- Vandalism.
- Racial or sexual harassment repeated failure to carry out detention or similar imposition.
- Theft.
- Any criminal act.
- Any form of behaviour considered to be dangerous which puts the safety and wellbeing of other people at risk.

Suspensions may be fixed term or, in the case of extremely serious misconduct, we may even permanently exclude pupils.

Racial Harassment

Hillside High School is an inclusive multicultural school with a commitment to raising international awareness. We implement fully the Sefton MBC guidelines on racial incidents. Racial harassment is:

“Verbal or physical violence which includes attacks on property as well as on the person which is suffered by individuals or groups because of their colour, race, nationality and ethnic or national origins, and where the victim believes that the perpetrator was acting on racial grounds and/or there is evidence of racism”.

Any racial incident will be reported to the local authority and the school will decide the most appropriate course of action to be taken in view of the seriousness of this type of offence.

Safeguarding Children

Safeguarding and Child Protection are issues about which we all feel extremely strongly. We have a culture within school of looking out for each other and making sure that all members of our school community feel safe and know what to do if they are worried about their own personal safety or the safety of someone else. Mrs Jones, Assistant Vice Principal is the strategic lead for safeguarding across the school. She is fully trained in safeguarding and has an overview of all matters relating to pupil safety. School has two Designated Safeguarding Leads, Mrs McGing and Miss Sheils. The school has a duty of care to our pupils and if any young person makes a disclosure regarding his or her personal safety or well-being it is the school's responsibility to make a referral to Social Care outlining our concerns. When this happens, Mrs Jones, Mrs McGing or Miss Sheils will endeavour to inform parents/guardians of their actions the same day, although this is not always possible. For example, if a parent/guardian's telephone number has changed it would cause a delay. Social Care will visit the family within 24 hours of receiving the referral and assess the situation. Often, they will simply offer a family advice or signpost other services that can support the family. Any concerns about the procedures in safeguarding and child protection should be discussed directly with Mrs Jones at Hillside, in the first instance.

In addition, Mr Smedley, Inclusion Manager, Mrs Banks, Pupils Support Co-ordinator and Mrs Ryan, Principal are also up to date with safeguarding training and are Deputy Designated Safeguarding Leads (DDSL) they would deal with a safeguarding concern in the absence of Mrs McGing or Miss Sheils.

Medical/Dental appointments

Ideally all appointments should be made outside of normal school hours, or during school holidays. If this is not possible we request that on the day of the appointment your child brings a covering letter to school signed by a parent/guardian which includes:

- The time you would like your child to leave school.
- If your child is to make their own way home at that time, go directly to the appointment venue, or if your child will be collected from school by an adult.

We will require proof of the appointment for school records, this should be attached to your letter (we will make a copy of the appointment card and return the original to your child).

In the event of an emergency appointment whereby an appointment card is not available, please request an appointment card/slip when you attend, which your child must hand to Pupil Support on their return to school.

If you obtain an emergency appointment for your child for the same day, and as a consequence of this you have been unable to provide them with a covering letter from you, please telephone school providing the information listed above. You will still be required to follow the procedure outlined above for an emergency appointment.

Attendance

At Hillside High School we recognise that to achieve our mission statement of achieving 'Excellence in the Heart of the Community' and ensuring you make progress you are capable of, we must ensure that your attendance is continually, and consistently seen as a high priority. Attendance is the responsibility of all staff, pupils and parents/guardians. In order to achieve this, we have set in place specific support systems and have staff with specific responsibility for attendance. Attendance is high profile with staff, pupils and parents. Your form room has a display of weekly attendance for the whole school and by year group. Attendance is reported and commented on by the Principal in the weekly newsletter sent home to parents/guardians. Ensuring your regular attendance at school is the legal responsibility of your parents/guardians. Permitting absence from school without good reason creates an offence in law and may result in the prosecution of parents/guardians.

First Day Response / Communication between home and school – daily procedures

If you are unable to attend school your parent/guardian will need to ring the school office on 0151 525 2630 between 7.30-8.30am. The call will be received by one of our admin team who will discuss the reason for your absence.

* Dependant on the reason and your current attendance there will be some challenge as to why you are not able to come to school.

Each day at 9.30 am the pastoral team meet and establish who is absent and the reason why. Please see the Days Escalation Approach for Attendance on page 21.

Dependant again on your attendance and the reason for your absence the most likely outcome will be a member of the pastoral team visiting your home to discuss how we can get you back into school with as limited time absent as possible.

Telephone Numbers

There are times when Hillside will need to contact your parent/guardians for a range of issues, including absence, so it is essential that the school has at least two up to date contact numbers at all times.

Understanding Types of Absences

Every half day absence has to be classified by the school (not by your parent/guardians) as either authorised or unauthorised. Information about the cause of any absence is always required from your parents/guardians, preferably in writing.

Authorised

Authorised absences are mornings or afternoons away from school for a good reason such as illness, medical/ dental appointments which unavoidably fall in school time, or emergencies.

Unauthorised

Unauthorised absences are those which the school does not consider reasonable. This type of absence can lead to the Local Authority using sanctions and/or legal proceedings. This includes:

- Parents/guardians keeping pupils off unnecessarily.
- Truancy before or during the school day.
- Absences which have never been properly explained.
- Shopping, looking after other children or birthdays.
- Day trips and all holidays in term time.
- Oversleeping.
- Absence to look after a sibling who is unwell.
- Confusion over term dates.

Any problems with regular attendance are best sorted out between school, your parent/guardian and you. If you are reluctant to attend, your parent/guardians should not condone your absence or give in to pressure to excuse you from attending school, they must contact school immediately to discuss.

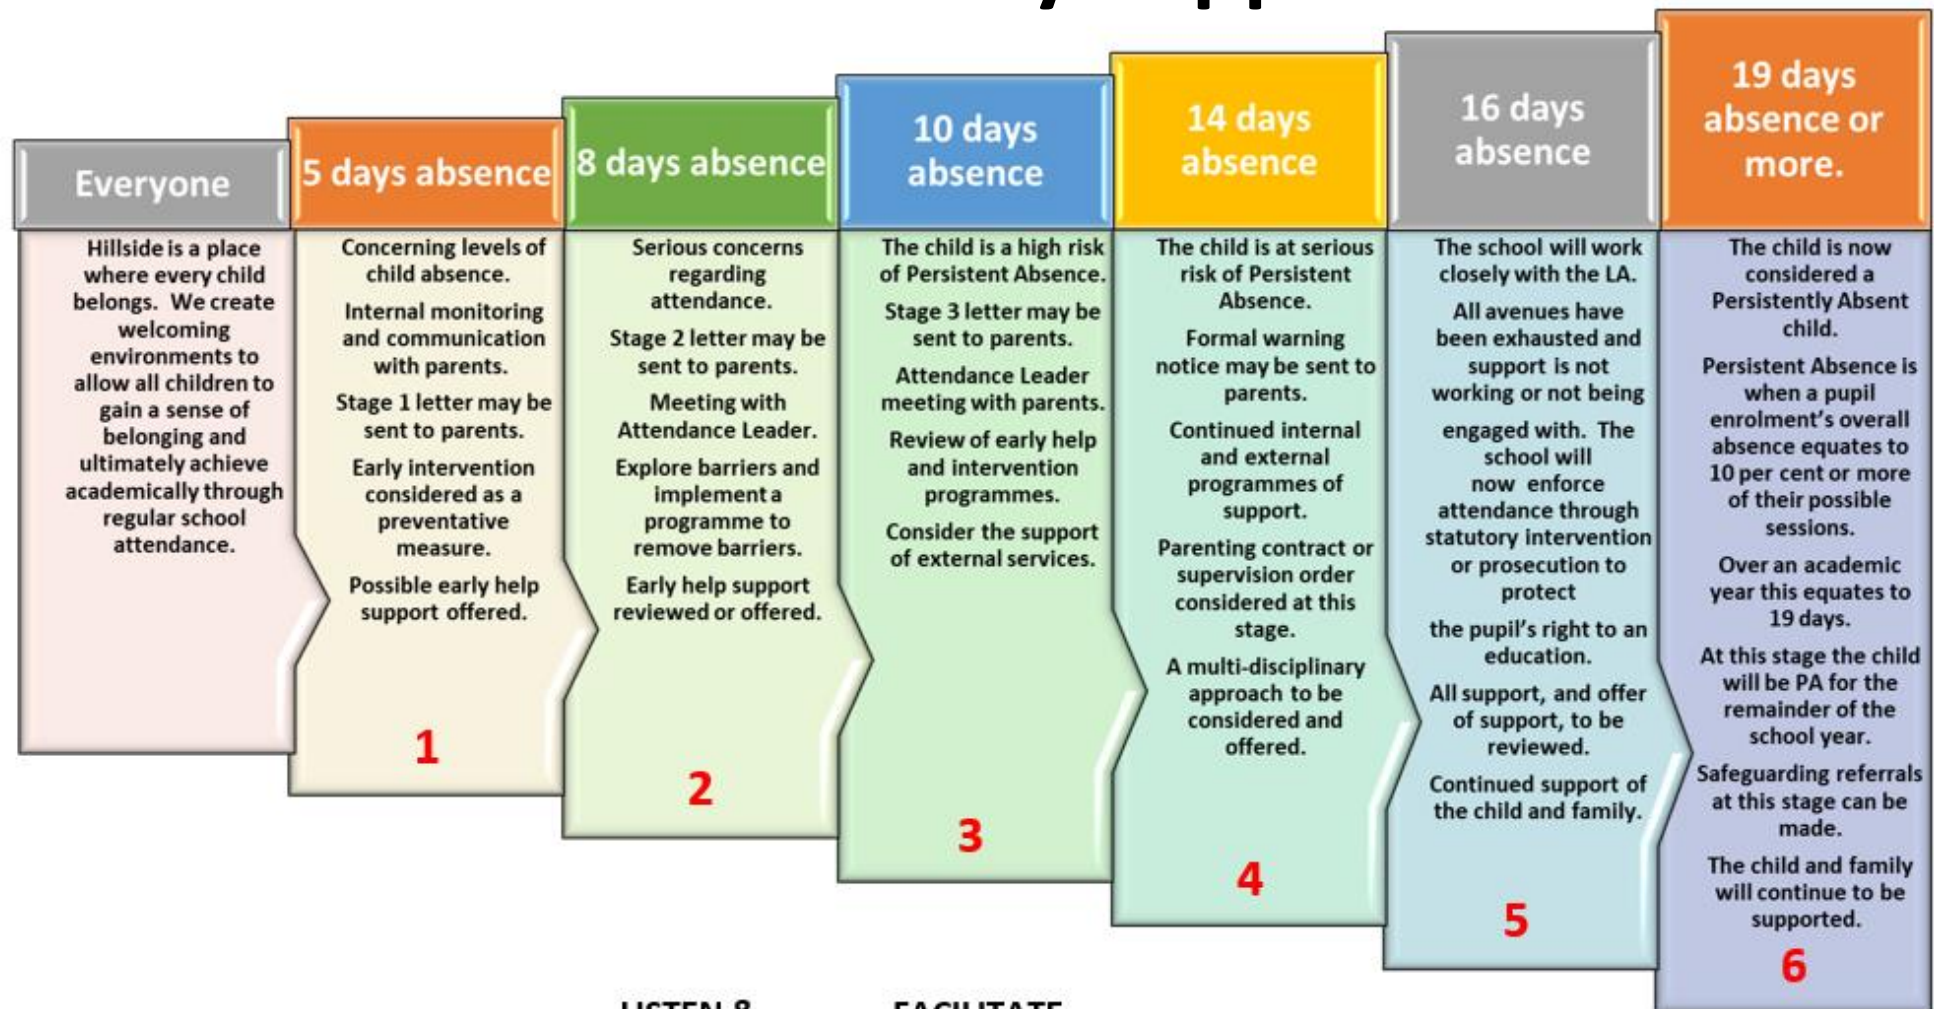

Medical Evidence

The school reserves the right to insist on medical evidence in order to code any absence as

Holidays

We do not authorise any holidays during term time. Exceptionally, if you and your family are going on holiday, you must complete a holiday request form which can be obtained from your Progress Leader or Miss Elliott in Attendance. This must be returned to Miss Elliott well in advance of you taking the holiday.

Attendance - Escalated Days Approach

| | | | | | |
|--|--|--|--|---|---|
| EXPECT | MONITOR | LISTEN & UNDERSTAND | FACILITATE SUPPORT | FORMALISE SUPPORT | ENFORCE |
| A culture where all children can, and want to, be in school. | Use attendance data to identify patterns of poor attendance. | Understand barriers to attendance, work together to remove them. | Access support to overcome barriers outside of school. | This may include formalising support through a parenting contract or education supervision order. | Statutory intervention or prosecution to protect the pupil's right to an education - when there is no other option. |

Meet the Attendance Team

We are lucky to have a dedicated attendance team to support you and your families in attending school. No matter what the reason for an absence is, every day of school missed is 5 hours of learning missed that cannot be caught up.

The attendance team are responsible for monitoring and support on a daily basis, this may include phone calls home, home visits or direct work with pupils and their families. Our Attendance Team also works with pupils 1:1 regarding attendance and hold attendance workshops.

If you are unable to attend school your parent/guardian will need to ring the school office on 0151 525 2630 between 7.30-8.30am and explain your absence to one of the team.

Without a doubt the most important habit you need to succeed in school, is good school attendance. **“Arrive on Time, All the Time”** and you will achieve your best at Hillside.

The Hillside Way

At Hillside we are all working towards the one shared goal of achieving "Excellence in the Heart of the Community". The Hillside Way summarises what all members of our community; pupils and staff need to do to achieve 'excellence'.

The Hillside Way

The nine features of The Hillside Way are split up into two parts, Standards & Expectations and Character Virtues.

Standards and Expectations

- Essential 8
- Arrive on time, all the time
- Work Hard
- Participate in lessons
- Excellent Manners
- Best presentation of yourself and your work

To be an effective learner at Hillside, you need to meet these six Standards and Expectations in every lesson. You will be monitored each lesson to show how well you are meeting these standards.

Character Virtues:

The following three aspects of The Hillside Way are what we believe are the key virtues that will help you in your own personal development to grow into confident, successful individuals. A virtue is a type of behaviour which people agree is morally right. Someone who is virtuous leads a good, moral life.

Resilience

This virtue is about being able to cope when things get tough. Resilient people are good at dealing with change and are able to use their skills to recover from problems and challenges. This could be within a lesson such as having the strength to tackle challenging work but it could also be problems in people's personal lives.

Kindness

This virtue is all about being caring and approaching people you meet with respect, appreciation and interest. People who regularly demonstrate kindness are happier than those who don't and studies have shown that kindness also stimulates the production of serotonin which is the feel-good chemical. The kindness virtue is also about how we can benefit our communities through our actions and taking part in events and activities in and around school for charity.

Positivity

The positivity virtue gives us a reason to believe in ourselves. Positive people are less isolated because others want to be around them. People who are positive are optimistic in life meaning they expect good things to happen. Positive attitudes cause positive thoughts and outcomes and produce positive results.

Diversity

Diversity is one of our core strands that permeate our curriculum right across school which we believe provide you with the highest quality learning experience. Our curriculum is rich in personal development and powerful world knowledge; allowing you to orientate your place in the world and express your individuality. At Hillside we are delighted to welcome children from all around the world and we are incredibly proud of the cultural diversity they bring to our school. There are currently over 28 languages spoken by staff and pupils across our school, including Polish, Romanian, Turkish, Cantonese, Farsi and Hindi to name but a few! Take a look below to find out how to say 'Hello' in these languages!

Celebrating Excellence

Rewards

At Hillside we have a range of rewards which are used to recognise and celebrate 'excellence'. Rewards can take many forms including; our "1" shows for pupils achieving the most 1s on SIMs and postcards home, entry into 'prize' draws and end of term/year trips, to name just a few of the things we do.

Lead Learners

At the end of each half-term, all pupils can be nominated to be a Lead Learner by their class teachers for a number of reasons. Certificates and prizes will be given out to pupils during our Lead Learner assemblies.

Annual Presentation Evening

Each year, Hillside holds a Presentation Evening to celebrate pupils' achievements. This evening is shared with; parents/guardian, governors, Trustees of the Wade Deacon Trust and invited guests from the local community. Prizes for Achievement and Endeavour are awarded to pupils from each class as well as prizes for attendance. Prizes are also awarded for excellent performance in external examinations, service to the school and character and personality.

Display of Work

When pupils do particularly good work we will display it on the boards in classrooms and the corridors for others to see, admire and learn from. In doing this we hope other pupils will aspire to produce the same high standard of work.

Displays of pupils' work around school also helps you in your learning and progress. Excellent examples of the use of the purple pen of progress, and how to achieve the top grades in subjects, can be seen in each subject area around school.

Hillside 100

If you are in school for the whole week, achieving 100% attendance, your name will be entered into the following week's prize draw.

Newsletter, Twitter and Instagram

Our weekly newsletter is available on the school website where we celebrate all of our pupils' achievements and successes as well as all the great things going on here at Hillside High School. Any pupil (or their work) who features in the newsletter is invited to see the Principal at break on Friday to receive a copy of the newsletter and a gift. You can also follow us on Twitter @hillside_high or Instagram @hillside_high_school for daily updates about what's going on in school.

Photographs of School Activities

At Hillside, we have a tradition of celebrating our pupils' involvement and achievement in a wide range of activities and events by taking photographs, when appropriate, and displaying them in school, in school publications or in the local press. We also have a website and Twitter accounts that celebrate pupils' work and achievements, as well as weekly newsletters for parents/guardians, a school Prospectus and this Pupils Handbook.

If your parent/guardian does not wish your photograph to be used in this way, please be sure they fill in the appropriate form in the admission documents.

Mobile Phone and Portable Music Players in School

During lessons we do not allow you to use personal mobile phones, tablets, Apple watches or any form of portable music player. We have very good reasons for this, based on pupil safety and the maintenance of high standards in the classroom. However, we do understand that many pupils and their parents/guardians like children to have a mobile phone as a security measure on the way to and from school.

Our rules are clear on this:

- Electronic devices should not be brought to school at all.
- Mobile phones may be kept in a school bag but must be switched off at all times.
- Mobile phones should not be taken out during lessons, at break and lunchtime.
- **If you are seen with a mobile phone or an electronic device, the item will be confiscated and placed safely in Pupil Support. If this is the first occasion that your phone is confiscated it will be given back to you at the end of the day. On a second occasion it will not be given back to you until an adult family member comes to collect it.**
- The school accepts no responsibility for replacing personal property that is lost, stolen or damaged whilst on school premises, during school events, travelling to and from school or whilst attending educational visits. Parents are therefore advised to take out appropriate insurance cover for your property, including mobile phones, portable devices, bicycles and other valuable items.
- Please note that the school has absolutely no insurance to cover the loss or theft of these or other valuable items belonging to either pupils or staff. Should a loss occur, we will obviously investigate to try to recover the item but cannot guarantee success. For lessons in PE, a 'valuables box' is available from the teacher of Teaching Assistant. It is your responsibility to put any valuables into that box for safekeeping.

Where do I get help if I need it?

Lost property

Try not to worry. Most lost property turns up in the most unusual places. This is the best plan:

- ✓ Stop and think when you last remember having your property, e.g. the classroom you were in.
- ✓ Go and look there and all of the rooms you have been in since.
- ✓ See if it has been handed in at Pupil Support of the Office.
- ✓ Report the lost property to your Form Tutor.
- ✓ Check again at HOME!

Illness or Injury

If you feel ill, tell the teacher in charge of your class. Should you feel ill, or have an accident, at break time or lunchtime, then tell the teacher on duty or a lunchtime supervisor. You will be sent to Pupil Support and a member of staff will then decide what further action is necessary.

Medication

If you have asthma and you would like Pupil Support to hold an emergency inhaler or medication, please ask your parents/guardian to contact Mrs Banks, who will gladly discuss any concerns they may have regarding this. Alternatively, the school nurse can be reached on 0151 247 6033/6013.

Care Plan

Some pupils may have a long-standing medical problem which requires a Care Plan to support them. If you need a Care Plan this will be drawn up with your parents/guardians, the school nurse, Mrs Banks (Pupil Support) and your Progress Leader. This information will then be shared with your teachers so that they can give you the appropriate help and support.

If you are unhappy or worried

If something is making you, or a friend, unhappy, a quiet talk with your Form Tutor or Progress Leader will help sort things out. If you have any worries, do not hesitate to tell any teacher or friend. At Hillside, any teacher or other adult can be approached if you have a problem. You can also talk to the Prefects.

Problems with classwork or homework

If at any time you do not understand the work being given to you in class or do not understand the homework set, go and talk to your teacher either before you leave the class or later in the day. Your teachers will always be please to help you.

Most important

For safety reasons you must not under any circumstances leave the school premises during morning or afternoon sessions without permission from the Year 7 Progress Leader and your parents/guardians. No Hillside pupils may leave the premises at lunchtime to go to local shops or their friends' houses.

Who can help?

At Hillside we have a team of staff who are here to help you with all aspects of school life. We understand that sometimes things can happen outside of school that can make learning and concentrating in school a bit harder so we have that covered as well. We all need a little help from time to time and it is important that if you need any extra help that you know who to ask.

Who is who? The Progress Leader for Year 8 is Miss Buckley (see page 4).

You will easily be able to recognise these Prefects as they wear red ties, and have red badges on their blazers. Our Prefects exemplify the very best of our pupils and consistently show the high standards that we expect from everyone at Hillside in terms of attendance, punctuality, uniform, 'Essential 8' and demonstrating the Hillside Way. The Prefects are the people to go to if you are unsure of what to do, they will make sure that you are looked after and will sort out any worries that you may have in your new surroundings.

Homework – Year 8

You will receive regular homework from your teachers which will reinforce the learning that has taken place in class.

'Forgetting' is a problem we all have as humans! It is the way our brain is built. Regular retrieval and revisiting of core content, helps you remember more.

The majority of homework will be set on one of online platforms. These platforms allow teachers and parents to track the completion of homework. You will also be expected to read regularly at home.

During your first week at Hillside you will receive your login details for our online homework platforms.

Literacy

'Literacy' underpins all learning at Hillside High School. It will feature in every lesson across school. Teachers will encourage you to develop transferable skills, enabling you to be an excellent communicator. Literacy will allow you to access higher education and develop essential skills to prepare you for life.

At Hillside we believe that:

- Strong literacy skills improve your ability in speaking and listening. It is a crucial skill to be able to express your ideas and opinions fluently. *An articulate speaker will also be a good writer.*
- Excellent literacy skills will enable you to read broadly and access a range of learning materials in all your classes. Reading and understanding is very important in developing your potential to achieve well in all subjects. *A good reader is also usually a good writer.* Reading a wide range of books will help you to develop opinions about issues in the world around you.
- The most effective writers have a clear insight into literacy as a tool to aid personal expression and a pathway to make active contributions to society in school and in future careers. *The ability to write and communicate is an essential life skill.*
- Knowledge and awareness of literacy, and the role that it plays in each lesson across the curriculum, is crucial in raising academic standards and attainment.

You will be encouraged to read for pleasure. We have an excellent Learning Resource Centre (LRC) and we emphasise the importance of independent learning. We aim to inspire you to love reading, and will offer you a range of texts from across all subject areas. This year, we are launching our reading lists that challenge you to read a wonderful fiction or non-fiction book in the Summer break and each term. Can you read them all?

Spelling, Grammar and Punctuation is a key aspect of learning at Hillside and all teachers, across the curriculum will work with you to help you to improve in this key area.

The Hillside Core 5 has a focus on literacy, all lessons will include "word rich" activities were teachers in all subject areas will work to improve your understanding of important academic vocabulary.

HILLSIDE HIGH SCHOOL

Numeracy

At Hillside we place an extremely high value on the delivery of numeracy for all our pupils. Being numerate is essential for all pupils enabling you to access several key areas of the curriculum, and for day to day life in the world outside school. Strong numeracy skills are key for life and for securing the best college places and workplace opportunities.

Numeracy is a life skill. Being numerate goes beyond simply 'doing sums'; it means having the confidence and competence to use numbers and think mathematically in everyday life. Here are some examples of what we mean by numeracy:

- Being able to manage family budgets – credit cards, offers at supermarkets etc.
- Being able to estimate – in all kinds of situations, e.g. journey speed, time and distance, roughly how much a bill will be or your expected bank balance at the end of the month.

In order to give you the best possible chances to develop strong numeracy skills we aim to help you develop. We support you in improving standards of numeracy by providing opportunities for you to practise using numbers in a range of lessons; not just mathematics.

In lessons

Teachers will plan for an improvement in standards of numeracy. This will be achieved by modelling best practice. You will be expected and encouraged to use a range of mental mathematics strategies to answer simple questions outside of mathematics lessons. Where more complex calculations are needed, you will be expected to clearly show each stage of the working out leading to the final answer.

At home

In Year 8, you will be expected to access Sparx maths each week to improve fluency and retention.

During your time in school so far you will have spent a significant amount of time going over your times tables and this is something that we continue through Key Stage 3. We will expand on this knowledge to have you identifying square numbers and prime numbers too.

Your continued efforts are celebrated in our school newsletter and on the display board in the maths department for your achievements with Sparx.

This little-and-often approach, using Sparx, supports the research that constant revisiting of topics ensures that your numeracy skills and fluency are retained over time.

Please look on our website for more information on how we can support you with maths at home.

Curriculum

You are expected to study the following subjects:

English; Maths; Science; Modern Foreign Languages; Art; Drama; Music; History; Geography; Computer Science; Technology; PE.

The LRC is open to pupils at break and lunchtime to all year groups for independent study and reading. Books may be borrowed at these times too.

The LRC is used by the English department for lessons and intervention lessons throughout the school day and you will be encouraged to borrow a book during these sessions.

What happens if the fire alarm sounds?

Here is our “Fire Drill”. It is posted up in every classroom.

On hearing the FIRE ALARM, stop working. On the wall by the door in every classroom there are instructions about which way to go out of the building. This will be your nearest exit; your teacher will remind you about this. Also, when you go out of your classroom door you will see a **green** arrow.

FOLLOW THE DIRECTION OF THE ARROW

When instructed:

- 1) STAND BY YOUR CHAIR
- 2) WALK IN SINGLE FILE OUT OF THE ROOM AND THE BUILDING
- 3) GO TO SOUTHPORT ROAD PLAYGROUND
- 4) LINE UP BY YOUR FIRE POINT NUMBER IN REGISTER ORDER. THE NUMBER IS ON YOUR REGISTER
- 5) KEEP QUIET AND LISTEN TO INSTRUCTIONS

Any pupil found to have wilfully set off the fire alarm will face serious disciplinary consequences.

Every term we practice what to do if the fire alarm sounds so please don't worry.

Once a year we also practice our 'Critical Incident' plan, again this is nothing to worry about and your teachers will reassure you at the time.
