The Pride of Hillside

We were so proud to see our ex – pupil Emma James Jenkinson flying so high on last weekend's Britain's Got Talent and she made history! An extra Golden Buzzer from Simon Cowell!

Emma is the very essence of what we are about as a school and her performance with Unity was so beautiful with a very strong message of celebrating diversity and culture. Whilst at school Emma was a true Hillside, throwing herself into every opportunity with enthusiasm and resilience. It is fantastic to see her doing so well.

Her confidence in starting the performance on her own was truly breath-taking and to see her perform on such a large stage – in a truly wonderful piece of Dance Art was amazing and we are so proud of her and cannot wait to see her and Unity again on BGT.

If you haven't seen it, please search Youtube – BGT Unity Golden Buzzer.
